Looking back on 2007, it's hard to believe another year has passed! We have had a wonderful year and look forward to many exciting adventures to come!

We were blessed with an AIM team from Mount Hope Church in Grand Blanc, Michigan and New Life Fellowship in Moline, Illinois. We held a three day basketball camp that ended with a 3-on-3 tournament and a concert in Tocancipa. They have left a lasting impact on this community.

The school in Cienaga is just about finished. Corey has been concentrating on designing a new school building for Liceo Nueva Vida, a school in a very poor area just outside of south Bogotá. We look forward to sharing pictures of progress with you!

The school year has just begun for most kids in Colombia. New children are being added to the LACC schools. Please consider sponsoring a child if you haven't already done so. You can choose a child from Colombia by going to www.lacc4hope.org. We want to say a special thank you to the sponsors who throughout 2007 supported, wrote letters, sent special gifts and even came to visit their LACC child. Every little detail leaves a huge print in these children's lives!

After many children's camps, we preached and helped lead a youth retreat. We loved it so much we have begun partnering with the church in this ministry. What an amazing group of young people to be working with!

Alex and Maggie are doing wonderfully! Please check out their blog to see all that they've been up to www.kautzkids.blogspot.com.

We appreciate your prayers. Please pray for the success of the construction at Liceo Nueva Vida. On a personal note, please pray for our finances as the dollar has consistently been falling resulting in a monthly struggle to cover our expenses. Please see page two if you'd like to help us out by becoming a supporter.

Thank you for your love, prayers and support!

Blessings,

Corey, Tona, Alex and Maggie Kautz

We thank God for our incredibly faithful supporters. Without them we could not be here helping the children and youth of Colombia. Since we arrived the value of the dollar to the Colombian peso has fallen tremendously, resulting in a 22% drop in our monthly income. Please consider becoming a one-time or monthly support partner with us to help us continue with our ministries here in Colombia.

To become a supporter or increase your current pledge, please fill out the form below and mail it to:
