Recapping 2019

Before this year officially ends, we want to take a moment to look back at all that happened this year and let you know the impact your prayers and financial support have helped us achieve.

This year we were able to reach 313 children's ministry workers with classes, workshops, coaching and mentoring programs. While some of these participants were brand new this year, we have a strong group of people that we have been working with over the last four years. We have seen growth in their local church ministries and unity overall throughout the region as this group has become a team working to reach children and communities throughout the state of Antioquia.

One way we have seen this team grow is through our annual evangelism activity called Supernatural Kids. Every year we create a program that teaches families aspects about the Holy Spirit. This year's emphasis was that the Holy Spirit helps us manage our emotions. We hold a workshop in September to teach the program to the local churches and throughout the end of October and beginning of November, the teams present the program either in their church or out in a public place such as a park or on the street.

THE COMUNA 13 PROJECT UPDATE

Our work in Comuna 13 continues as we look towards the next steps in making our dreams of a community center become reality. We gave about 50 kids Christmas gifts this month. It has been a great year of getting to know the kids, their families and the community overall.

We have found a house in the community that we can purchase to begin the first steps of increasing our presence in the community and offering more to the families. We have recently opened up a special account for this project. If you would like to give to the Comuna 13 Project, we would be glad to share that information with you!

WHAT LIES AHEAD

We will begin 2020 by making sure all of our teams are in place and ready to move forward as we prepare to move back to the United States for a year. We have been in Colombia this term for four and a half years. While our budget has stayed strong throughout our term and even allowed us to stay on an extra 8 months, it is time to share what God has been doing here and raise funds to continue working for another four to five years. Upon our return to Colombia, we hope to expand the training we offer to children's ministry workers and our work in Comuna 13.

We would love to visit you while we are in the States! If you, your church, your community group, small group, business or work are interested in how you can be a part of impacting Colombia, please send us an email at tona@kautzfamily.org or give us a call at 770.901.9077 to set a date that we can share stories and hopes for future projects in Colombia!

THANK YOU!

Everything that we are able to do is due to a network of people all over the United States who pray, give and even come to work alongside us. Thank you to everyone who has invested in sharing the Gospel in Colombia this year.

We hope you have had a wonderful Christmas and that 2020 will be a year full of blessing and love for you and your family!
