Merry Christmas and Happy New Year!

We hope your holiday season is extremely blessed and full of reminders of how much God loves you! We are writing to you from the States where we will spend Christmas with our kids - the first time we will all be together at Christmas since 2017! We are so excited!

As we reflect on 2023, we celebrate progress in many areas.

- We focused on getting our health on track and have both seen major improvements in our strength, energy, and overall well-being.
- Tona finished this year by graduating from Southwestern Assemblies of God University with a Masters in Science in Clinical Psychology.
- The kids received soccer uniforms thanks to Encounter Kids in Griffin, Georgia! Our older boys have been participating in a tournament, which has been beneficial in helping them grow in responsibility and discipline.
- In December we graduated another class of 26 students from the adult ed program.

You may remember that in our last newsletter, we mentioned in our prayer needs that we have spent all of 2023 underfunded. We praise God for sustaining us each month and making a way to get through. We are grateful for new monthly supporters who have joined our support team.

We are launching a campaign to make 2024 a strong year as we continue to resource churches, work in the community center, and serve the people of Medellín to the best of our ability. Please join us in prayer as we work to raise

\$24,000 FOR 2024
