

# Reaching Colombia

THROUGH THE NEXT GENERATION

December 2025

*We wish you a very Merry Christmas! We pray you and your family are blessed in this season of hope and in the upcoming year! We are grateful for every prayer, every donation, every visit, every message, and every moment of friendship you have shared with us! Thank you for a wonderful 2025! Blessings,  
Corey & Tona Kautz*

On Giving Tuesday, we launched a campaign through Hope Gives to raise \$5000 towards our work funds. We were amazed by the results!

By simply using Facebook to spread the word, our family, friends, friends of friends and even strangers came together to give \$5430! What a blessing!

\$5,430.00 raised

73 Donations \$5,000 Goal

## On the Road Again: Itineration Season!

Our ministry runs in a 5 year cycle - four years on the field and one year in the United States to raise funds for the next four years in Colombia. During the year in the US, we travel to visit churches and individuals who support our ministry and we seek new partners to join our team. In August, we arrived in the US to begin this process. So far, we have traveled to Florida, Georgia, Illinois and Michigan. We are so grateful for the warm hospitality we have been shown everywhere we go.

During itineration, we have to raise two budgets - cash up front, for the initial expenses we will need when we return to Colombia; and monthly support, that helps us sustain life and ministry throughout our term. If you are wondering how you can help, there are a variety of ways. Get in contact with us to learn more!

1. Give a one-time gift
2. Become a monthly supporter
3. Share our social media posts and campaigns with others
4. Invite us to share at your church, business, or small group.
5. Host a fundraising activity with your friends

We are now booking services and visits January through July for 2026. Contact us to set a date!

## 2025 Highlights

Before leaving Colombia, we had the honor of hosting 48 youth and leaders from the Georgia District. While we have helped with big teams before, we had never personally taken on the responsibility of hosting one. It was an incredible experience! These young people helped our local churches reach out to their communities. They did outreach, grocery giveaways, and spent time in Comuna 13. What an amazing blessing to see young people giving their time and money to serve others!

One of our local churches in Colombia celebrated 45 years of ministry. Pastors Alirio and Amanda Meneses have planted many churches and are great examples of leadership and mentoring the next generation of pastors. We love working with them and watching God use them greatly!

We returned to the States just in time to represent Latin America and the Caribbean at the Assemblies of God General Council. We had the opportunity to tell visitors what life is like in Colombia and share stories. We also spoke with several people who feel a call to missions on their life. It was a very encouraging experience as we were reminded once again of the wonder of the call!

## Meanwhile, In Colombia

While we are not physically present in Colombia, we stay connected and active in our ministries there. We helped organize the Supernatural Kids event and our team did a phenomenal job teaching the workshop for the churches. Our children's ministry training students held their year-end celebration. We were able to send gifts and participate via video. In the community center, a team from Mexico visited and volunteered. This month, 28 students will graduate from the adult education program.
